NO OTHER LAND

***Winner of the Oscar for Best
Documentary Feature Film in 2025***

For half a decade, Basel Adra, a Palestinian activist, films his West Bank community of Masafer Yatta being destroyed by Israeli forces, as he builds an unlikely alliance with an Israeli journalist who wants to join his fight. No Other Land is an unflinching account of a community's mass expulsion and acts as a creative resistance to the occupation and a search for a path towards equality and justice.
